

All About Websites

\$250	Full Website design and setup	Includes: 1 year hosting and domain name Unlimited number of images (if I photograph the paintings) 40 images if photographed by someone else & site ready Contact page About the Artist Page Unlimited number of "Gallery" Pages
\$100	Page on Gallery 901	Includes: No annual fee 12 thumbnail images that enlarge when selected. Artist bio Contact Information Limited to one page
\$75	Page on Gallery 901	Includes: No annual fee 12 images that scroll Artist bio Contact Information Limited to one page

The above pricing assumes that you supply the images ready for your site. But like most artists this is not the case. So here are your options.

\$8 / painting	I photograph your paintings (no prints available) If you are interested in the full photography service, please go to www.ArtInOrder.com , call or email me.
\$6 / image	You supply images that need to be corrected and formatted for quality.

Website Maintenance Charges

Now here is the good part. After the website is up and running, if you allow me to photograph all your additional artwork that go on the site, there is NO charge for maintenance. The other charges are as follows:

\$50	Yearly fee for hosting and domain name renewal.
No charge	To put new images on site if I photograph the artwork
\$6.00	Per image added, if I need to correct and format the image for quality
50¢ / minute	For changes made to site, including adding images if they are site ready. The average change usually runs around \$3.00 - \$6.00

Site-Ready Image Requirements

72 - 150 dpi
500 pixels on longest side
In focus (very important)
No glare spots (very important)
